"An investment in knowledge pays the best interest"
~Benjamin Franklin

About Us:

Welcome to Central Trading Academy, your gateway to unlocking the world of financial markets and trading strategies. Established in 2017 and led by the experienced and knowledgeable Mr. Yogesh Bhope, Central Trading Academy is a place where aspiring traders and investors can gain the skills and insights needed to navigate the dynamic world of finance.

Meet Yogesh Bhope (Our Mentor)

Mr. Yogesh Bhope (Software Eng. & MBA), the driving force behind Central Trading Academy, brings over 12 years of experience in the financial industry to the table. His passion for trading and investing has led him on a journey of continuous learning and improvement. Throughout his career, He has honed his skills and developed a deep understanding of various asset classes, trading strategies, and risk management techniques. He is not only an expert trader but also a dedicated educator who is committed to sharing his knowledge with others.

Our Vision

At Central Trading Academy, our vision is to empower individuals with the knowledge and confidence to make informed decisions in the financial markets. We believe that financial education is the key to financial freedom, and we are committed to providing top-notch training and resources to help you achieve your financial goals.
